

Les Amis Chanteurs de St Amand

Concert Organisation

Thank you for enquiring about the possibility of our creating a concert for you.

When we agree to sing for you we will:

- *Sing the length of programme we agree between us.*
- *Provide you with a list of songs 3 weeks before the concert so that you may contact the SACEM.*
- *Start the concert at the time we agree between us.*
 - *Provide you with a concert programme.*

We ask you to:

- *Let us know who the concert is for and the reason for doing it.*
- *Provide us with an appropriate performing space which has access to electricity.*
 - *Provide us with details about parking and toilet facilities.*
 - *Organise and make appropriate payment to the SACEM.*
- *Provide light refreshments for our singers at the end of our programme.*
 - *If possible let us have approximate audience numbers.*
 - *Publicise the concert.*

Do We Charge a Fee?

- *Our concerts are performed free of charge to community and charitable organisations. But we are happy to accept donations!*
- *We ask for a donation to cover our costs when the organiser charges an entrance fee or has been given a grant for organising the concert.*
- *We negotiate a performance fee with profit-making and commercial organisations.*
